

## Year 6 - Term 1 2020

A big thank you to Year 6 students, who so diligently prepared themselves for their first Liturgy of this year. There were many parents and carers present, who commented what a lovely prayer it was and how reverent all the students were.

The theme of the Year 6 Liturgy was Peace, Love and Hope. Our gathering was an opportunity for an encounter with Christ. As members of God's family, we are called to be bringers of peace and to promote the growth of peace by the way we live for others. As a sign that we can all be pebbles of Hope, Love and Peace all Year 6 students were invited to take a pebble, write the word Hope, Love or Peace and place it in the class basket. We also asked parents to do the same.

Year 6 are now looking forward to the Mass with Bishop Brian Mascord on the 13th August at Our Lady Help of Christians Rosemeadow. Over 1 500 students from Year 6 classrooms around the Diocese will gather, as communities of faith, to mark their final year of primary school.
